Physical Therapy Services

PAYMENT POLICY: NON MEDICARE

Although your actual charges may vary, Prospect Rehabilitation's average fee is \$135 per visit. Prospect Rehabilitation will submit your claims to your insurance company. Prospect is "in network" with the following insurance plans and your claims will be processed according to the policy you purchased. **THIS DOES NOT GUARANTEE YOUR INSURANCE COMPANY WILL PAY YOUR ENTIRE BILL:**

Medicare

Blue Cross Blue Shield of Vermont

CBA

MVP Healthcare

Vermont Medicaid

Aetna: **PPO plans only**

Cigna/Great West/One Health Plan

Your benefits will be processed at the out-of-network level for all other insurance plans. Exercise physiology services (eg personal training) are not covered by insurance.

All charges are your responsibility. IT IS YOUR RESPONSIBILITY TO BE FAMILIAR WITH YOUR INSURANCE COVERAGE AND BE AWARE OF YOUR POLICY'S OUTPATIENT PHYSICAL THERAPY BENEFITS AND LIMITS. Prospect will bill you for co-payments, deductibles, co-insurance, and non-covered charges after your insurance company processes your claims.

Payment by cash or check is expected in full within 30 days of invoicing. If you have difficulty making these payments, Prospect can set up a payment plan to help you honor your financial obligation.

Prospect charges a \$40 fee for missed appointments and cancellations within 24 hours, a \$10 fee for returned checks, and 25% of the open balance for accounts sent to collections. If the matter is referred to an attorney or agency for collections, you will be responsible to pay reasonable attorney or agency fees and court costs.

I have read the above information and understand that I am responsible for all charges. Any questions I have regarding payment have been answered.
